**Notes**

1. According to James Miller, Shklar wrote “uncredited pieces for [the Amnesty International] newsletter in the 1980s,” which could not be located. James Miller, “Pyrrhonic Liberalism,” *Political Theory*, vol. 28, no. 6 (2000): 815. It is unclear whether Shklar was involved in other Amnesty International publications, such as the likewise authorless *Torture in the Eighties* (London: Amnesty International Publications, 1984).
